Dear Ms. Nurse,

This letter is an official request on our part for an extension of the "Official Comment Period" that began on March 2, 1994, and is schedule to conclude on March 31, 1994.

In order for us to prepare a reasonable response to your proposed plan we will need more than the official 30 day comment period allocated by your agency.

We thank you in advance for your prompt response to our request.

Sincerely yours,
